Per Arizona Administrative Code (A.A.C.) R14-2-405(b) 3, the customer shall provide and maintain a private cutoff valve within 18 inches of the Meter. Per A.A.C. R14-2-405(b) 6, the customer's lines must be installed in such a manner as to prevent cross-connection or backflow. Mt. Tipton Water Company is responsible for piping to the meter and the meter assembly only. Customer is responsible for all piping and valves (including pressure regulator valves) on the customer side of the meter.

## NEW METER INSTALLATION CONDITIONS

Mt Tipton Water Company will not turn water on for domestic use until a permitted septic tank is installed. Without a permitted septic system water can be used for irrigation purposes only. Breach of this condition will require us to report violation to Mohave County. \_\_\_\_\_

If a fence is installed enclosing Mt Tipton Water Meter, customer will be charged \$700.00 dollars to move meter out of fenced in area. \_\_\_\_\_

If Driveway is installed over Water meter customer will be charged \$700.00 to move meter. \_\_\_\_\_

Customer is responsible to keep Water meter visible failure to do so may cause water service to be discontinued. \_\_\_\_\_

I have read and understand the above conditions.
